

### REMARKS

Claims 1-20 remain in the application and are subject to restriction requirement.

The specification has been amended to insert the serial number of a co-pending U.S. Application that has been incorporated by reference. No new matter has been added.

Attached hereto is a marked-up version of the changes made to the specification by the current amendment. The attached page is captioned **"Version With Markings To Show Changes Made."**

In response to the restriction requirement of the last Office Action, Applicants provisionally elect group 1, claims 1-11, with traverse. Applicants respectfully submit that the basis for the restriction requirement is not sufficient. Withdrawal of the restriction requirement is thus respectfully requested.

The Examiner is invited to telephone the undersigned attorney at (650)691-4763 for any question regarding the present application.

If for any reason an insufficient fee has been paid, the Commissioner is hereby authorized to charge the insufficiency to Deposit Account No. 50-2030.

Respectfully Submitted,  
Mira Ben-Tzur et al.
